Be TOTALLY Prepared

Purpose ...

Reading the Bible, praying, and going to church are very important in our Christian life. It's also important that our kids **SEE** us living these out each day!

WHAT
YOU
DO

- **Find a picture** on your phone smartphone or in a magazine of a man in normal clothes.
- **Ask your family** if this man is ready to play a game of tackle football? No — of course not. Ask: "What will happen if this man lines up with the rest of the team and a bunch of guys tackle him down?" Allow various answers (he could be injured, break a bone, get cuts and bruises, etc).
- **Explain** that that's what it's like when we head into the world not prepared to stand strong. When we read the Bible, pray and go to church, it's like putting on a helmet and pads that will protect us. Now, show your family a picture of a football player who is wearing all his pads and a helmet. Explain that this man is ready to face anybody from the other team.

Encourage other friends on social media to take this challenge too!
#wearerc and show us how your family learned to **Be TOTALLY Prepared** this week!
