A Special Message

Discuss ...

The Bible is like a **special note from God** to us. When we read it, we see it as God speaking to us. He encourages us and gives us direction.

Find some scriptures that are special to you and share them with your children.

WHAT
YOU
DO

- **Make a card** for each person in your family. Write a special or encouraging message in each card.
- **Give out** each card at the beginning of the day.
- At the end of the day (maybe after dinner) **talk about the notes** you left.

How did you feel when you found the note?

ASK

Encourage other friends on social media to take this challenge too!
