Sharing is **Caring**

WHAT TO DO

Beforehand, hide the snacks altogether, somewhere in the house. Have everyone sit down and announce that you have a treat that is so good—but you're not sure if you should let everyone know where the treats are located. **Allow your family members to finally persuade you to tell them where the treats are hidden.** Have them find the snacks and meet you back at the table.

WHAT YOU NEED

- a small
snack
for
each
person

PURPOSE ...

While everyone eats their snack, talk about how important it is to NOT keep the **good news of Jesus** to yourself... **be willing to share that good news with everyone!**

Encourage other friends on social media to take this challenge too!
#wearerc and show us how your family learned to **share the GOOD NEWS!**
