Something **STINKS**

WHAT TO DO

Beforehand, activate the air freshener or light the candle so it smells good in the room. Ask everyone if they like the smell of the room. Comment on times when there have been some bad smells in the house: a dirty diaper, garbage, burned food, etc. Ask: **“Do you want to be around the stinky smells or the good smells?”**

WHAT YOU NEED

- an air freshener or scented candle

PURPOSE ...

Comment on how people will want to be around your attitude when it's good, **kind, positive and caring**. It's like the air freshener. But our attitudes stink when we are mean, complaining, arguing and name-calling.

Encourage other friends on social media to take this challenge too!
