WHAT TO DO

Have each person in the family make snowflakes by fold over a sheet of paper several times and cutting shapes into the edges. Allow each person to open up their paper to show what their snowflake looks like.

WHAT YOU NEED

- Paper and Scissors,
- close-up picture of a real snowflake (look it up on your smartphone or web browser)

PURPOSE ...

“You’ve made a snowflake out of paper, but it’s not a real snowflake. Its not cold or made of ice crystals.” (Show the picture of a magnified snowflake and point out the detail). “Who is it that can make real snowflakes like this one? That’s right, God can... only God can. Let’s remember that God is so much greater — no one can make a real snowflake like God can!”

Encourage other friends on social media to take this challenge too!
