The **POWER** of Jesus

WHAT
TO
DO

As a family activity, find a toy or gadget that needs batteries.

Secretly remove the batteries before you start your family time. Offer to let your family members play with the toy or gadget.

See if anyone knows why the toy won't work. Eventually, they will realize: "...it needs batteries!"

PURPOSE ...

When we put batteries in this toy, we are giving it the power it needs to work. It's the same way with us - **we need the power of Christ** on the inside of us to do what He needs us to do!

Encourage other friends on social media to take this challenge too!
#wearerc and show us how your family has learned to **WORSHIP as a Family!**
