Family Time Devo

Give **God** the Credit

WHAT TO DO

Begin by having everyone in the family **draw their own picture**. Make sure everyone puts their name on the picture at the bottom — like an artist signs their artwork.

WHAT TO EXPLAIN

Your name is on your picture... if someone saw your picture and thought it was really good, I couldn't come along and tell everyone that I'm the one who drew the picture... that's not right. Instead, I would have to give you credit and point to your name on the drawing.

PURPOSE ...

God has created us in His image — it's like his signature is on us. We need to be sure to give Him credit and thanks for all He does in our lives.

Encourage other friends on social media to take this challenge too!
