God's Creation Walk

WHAT TO DO

Spring is in the air and the weather is just right to take a walk outside as a family. Have your family walk together in your yard, around the neighborhood or at a local park. Look for evidence of God's creation. (Sun, grass, sky, animals, water etc). Write out a list as you go. When you find a place to sit and rest or when you arrive back home, review the list and take some time to pray a prayer of thanks that God would create all of those things for us to enjoy... **encourage each family member to give thanks for at least one of the items on the list.**
