THE CROSS - WHAT DOES IT MEAN TO YOU?

Start by drawing a large outline of a cross on some paper. Have everyone name what the cross means to them... you could suggest words like: love, sacrifice, peace, Jesus, etc. Have family members take turns writing their words on the cross.

Together, talk about how each word relates to Jesus dying on the cross and rising again.

Hang your picture in a prominent place in your home for the remainder of the Easter season.
