### **BETWEEN US GUYS | Dads & Sons | In Person**

Dads are given an incredible opportunity to be one of the primary influences in their children's lives for the gospel. By inviting conversations in every arena of life, fathers pass down the message of Christ to the next generation. It's important not to shy away from difficult subjects, but sometimes we need help in how to have intentional conversations with our sons about God, themselves, and what difference knowing the gospel makes to their everyday life. This life group is for fathers and sons (who are in 3rd through 5th grade.) We will be using the book *Between Us Guys: Life-Changing Conversations for Dads and Sons* by Joel Fitzpatrick.
