JOY to the WORLD

PURPOSE ...

WHAT
YOU
NEED

- A recording of "Joy to the World" (you can often find versions that can be heard online)

Let everyone listen to the song and ask everyone to listen for a part of the song they notice more than any other part. Once the song is over, have everyone **share the part they noticed**. Talk about how real joy came to the earth when Jesus was born. You will notice that the lyrics of the song give us a clue about real joy.
