PURPOSE ...

WHAT
TO
DO

Play a recording or stream online a **favorite or popular worship song**. Tell everyone to listen carefully to the words. After the song is over, have everyone list some of the words and phrases in the song.

Ask the following questions to start a discussion:

What do those words mean?

Why are those things important to say or sing when we worship?

If you could write a worship song, what words or phrases would you make sure to include?

Encourage other friends on social media to take this challenge too!
